Nationwide EHS Pro's On - Demand!

Coverage - 49 States

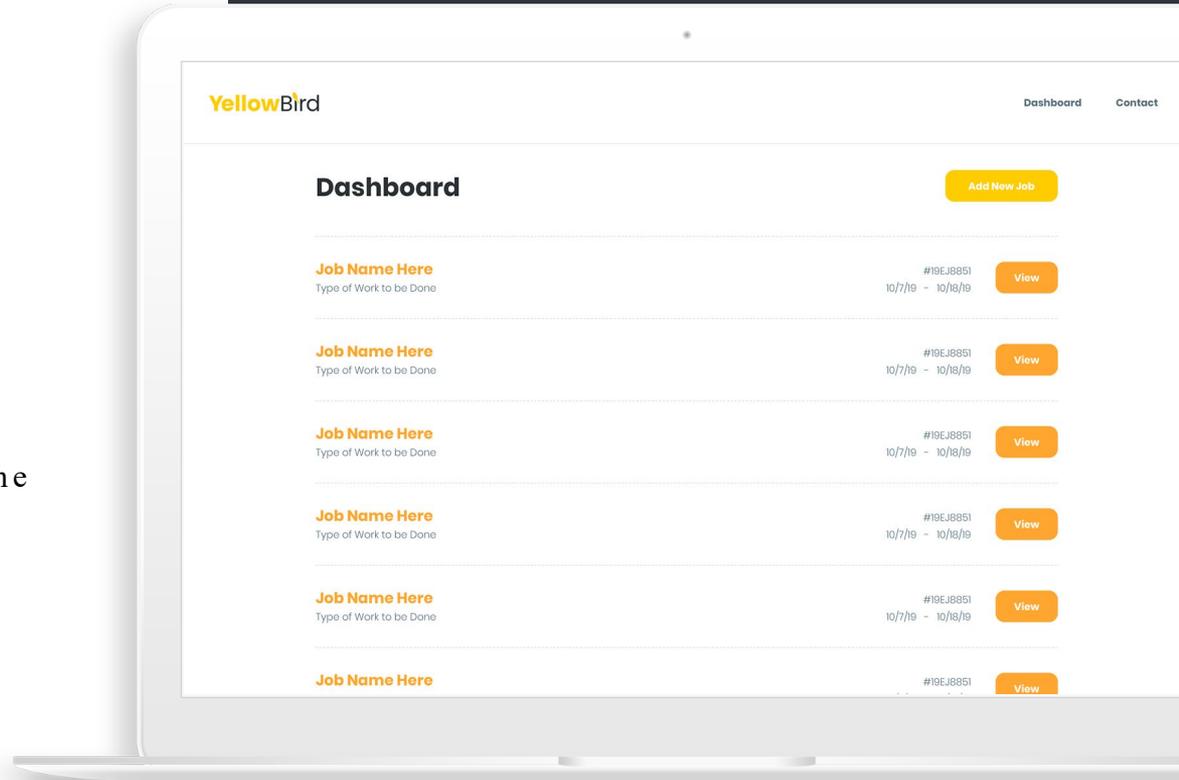

What is YellowBird?

YellowBird is connecting the best experts in EHS with business on-demand.

Our 5-step verification process ensures every professional is fully qualified for the project requirements.

- Request a Pro, in **less than 5 minutes**,
- Matched in **less than 2 hours!**

Gig Economy?

- Not just lower skilled side hustle (uber, lyft, grubhub)
- The “why” of Professional Services is not new. . . the “HOW” is new
- Tech - enabled access: highly skilled experts on demand
- Lower cost than having additional FTE
- Ability to have a more senior person for a shorter duration
- Specialization - sharp shooters vs. shot gunners

Example Uses;

- On Demand EHS Help (Client or Firm)
- Root Cause Analysis, Proactive Remedy, Field Work
- Expert Witness / Third Party Testimony

All Pro's Have Insurance Coverage:

- General Liability Coverage
- Professional Liability Coverage
- Occupational Accidental Coverage

We feel it's important to level the playing field on the platform. We match opportunities based on talent, skill, training and experience...
not ability to jump administrative hurdles

Our Mission, Our Passion

To connect the best, right - fit experts in Environmental Health and Safety with business on - demand.

YellowBird is increasing safety and compliance in the workplace —one job at a time.
