II. Roll Call

III. Review of Minutes from May 21, 2020 **Attachment A**

The minutes from the meeting on May 21, 2020 were APPROVED.

IV. Spring 2022 Client Suggestions

Several clients were discussed by the group, including Nextera, People for Bikes, Able Group, Cyrq Energy, Navigator (carbon sequestration) and Marathon Petroleum. Firms with clients in hydrogen storage or natural gas or small nuclear clients are encouraged to share this information with the group.

The group will ask member firms from California, New Mexico, Utah, and Idaho if they have any additional suggestions, and plans to ask the members who were not in attendance to be prepared to discuss the energy clients they are working with who may have issues for the group to discuss. Group members will share thoughts

on how SLR can market to these clients now and bring to the Denver or Philadelphia meetings.

V. Spring 2022 Session Topic Suggestions

May 19-22 \* Denver, CO

Session topics were discussed above with the potential clients.

VI. Individual State Issues and Discussion

Patrick Paul briefly reported on the recent infrastructure bill passed in Arizona, and will follow up with the group at the next meeting on it. Patrick will include slides on the 6 buckets of funding from the bill.

The group discussed the prospect of the growth in opportunities for these areas energy with the new federal dollars.
