

Join your colleagues and SGAC members in November at the Ritz Carlton on Amelia Island for our Leaders' Policy Conference!

The State Government Affairs Council (SGAC) is a valued partner with many state legislators and state legislative organizations. Our members represent the business community and stand ready to serve as resources for you in your important work.

2023 Leaders' Policy Conference

One of SGAC's premier offerings is our annual Leaders' Policy Conference (LPC), which will take place at the Ritz-Carlton in Amelia Island, Florida this year, November 18-21. Our agenda is taking shape! We have confirmed keynote speakers: Congressman JC Watts, Harvard Polling Director John Della Volpe, and Entrepreneur Brad Tusk.

The final agenda is still being modified and we will announce several new keynote speakers, breakout sessions, and conference activities that explore Amelia Island in the immediate future!

The LPC working agenda can be viewed [here](#).

This outstanding conference is presented by the SGAC Foundation, in cooperation with the National Conference of State Legislatures (NCSL) and The Council of State Governments (CSG). This conference provides a unique opportunity to build relationships with other legislative leaders and private sector representatives.

You are one of a select group of legislative leaders invited to attend this premier program. There is no registration fee for legislators and a guest. As a legislative leader, the SGAC Foundation is pleased to offer you a scholarship covering hotel accommodations for 3 nights during the conference dates and up to \$1,000 in travel expenses for your air and ground transportation. (Please note this scholarship is not transferable.)
