Join your colleagues and SGAC members in November at the Ritz Carlton on Amelia Island for our Leaders' Policy Conference! The State Government Affairs Council (SGAC) is a valued partner with many state legislators and state legislative organizations. Our members represent the business community and stand ready to serve as resources for you in your important work.

This outstanding conference is presented by the SGAC Foundation, in cooperation with the National Conference of State Legislatures (NCSL) and The Council of State Governments (CSG). It provides a unique opportunity to build relationships with other legislative leaders and private sector representatives.

Keynote speakers will include: Congressman JC Watts, Harvard Polling Director John Della Volpe, and Entrepreneur Brad Tusk. The agenda is still being modified and we will announce several new keynote speakers, sessions, and conference activities that explore Amelia Island in the immediate future!
